What happens next?

Because people in your household receive Medicaid, the P-EBT food benefits for any eligible children in your household will be issued either to your Medicaid Common Benefit Identification Card (CBIC) or, if you do not have one, to the CBIC of the oldest child in your household who receives Medicaid and free or reduced-price school lunches.

To access your P-EBT food Benefits you will need to select a Personal Identification Number (PIN) over the phone by calling the following toll-free number: 1-888-328-6399. Please be prepared to provide the security information required to complete this process.

If you do not have the CBIC you used for Medicaid, please call the **1-833-452-0096** to request a replacement.

How much will my family get?

The maximum monthly amounts you may receive for each eligible child in your household are:

March \$68.00
April \$125.00

May \$119.00
June \$108.00
